

Dear Valued Customers

Steward Bank would like to advise all stakeholders that a major system upgrade has been scheduled for the month of **December 2020**. During the course of this upgrade, customers will experience intermittent service on various channels as they are being worked on. The channels listed below will be impacted and we will share more details on the times during which service will be impacted closer to the time:

- **Mobile Banking**
- **ZimSwitch**
- **Banking Services**
- **Online Banking**
- ***210#**
- ***236#**
- **POS Transactions**

Once the upgrade is complete customers can look forward to:

- ✓ **Seamless transactions on all banking platforms**
- ✓ **Improved service on all platforms**
- ✓ **Faster processing times of transactions**

The Bank will continue to provide necessary updates on the available official media channels. Thank you in anticipation of your patience and support as we embark on this exercise to make sure that we continue to offer you the best service. We sincerely apologise in advance for any inconvenience caused.

For any assistance, please contact our customer service teams on the following touchpoints:
